## Directions to Servants of Love

*Take the N11 to Wicklow Town. If you're coming south from Dublin on the M50, just follow signs for Wicklow (the M50 eventually becomes the N11). Drive past Heaton's, Lidl and Tesco (all on your left) and continue past the Grand Hotel. Drive through the town centre (don't take the left fork in the main street!) until you reach the Billy Byrne statue (1798 hero on pedestal with right arm raised into air). Turn immediately LEFT and follow the road as it curves onto Quarantine Hill. Ahead of you, you will see flags for the Healthy Habits Cafe. The Servants of Love centre is in here.*

*There is a Free Carpark about 200 metres further along the road (keep left), overlooking the harbour. Parking is also free all along the harbour itself.*

*The Spirit is made for Love*

*Only Love satisfies it*
